Put On Some Good Vibes

Wearing a bright color is one way to get energized and put yourself in a positive mood.

Sow Good Thoughts

“Plant seeds of happiness, hope, success, and love; it will all come back to you in abundance.”

A Colorful Sight

Catching sight of a rainbow spanning the sky is a natural wonder that can often stop you in your tracks. These colorful “rainy arches,” the Latin meaning of their name, appear when light reflects and refracts through water droplets. Because a rainbow is an optical phenomenon, it’s unique to each person seeing it, since the angles of reflected light will be slightly different from their viewpoint.
