Heroes Big and Small

"Heroism doesn't always happen in a burst of glory. Sometimes small triumphs and large hearts change the course of history."

Buttoned Up

Many folks have memories of opening up a box or tin at Grandma's house and finding a bunch of buttons! These little accessories are popular items to collect, not only to use in sewing and crafting, but also for their window into history. Like jewelry, buttons were often status symbols, and both the material and style of button can indicate what era it's from and who might have worn it.
