## November 2024

### Happy Thanksgiving to All

“What I love about Thanksgiving is that it’s purely about getting together with friends or family and enjoying food. It’s really for everybody, and it doesn’t matter where you’re from.” —Daniel Humm

### November Gratitude

A few things to be thankful for this month:

- The beauty of the changing leaves.
- Time with loved ones during the holiday season.
- The service of veterans and current military members.

What else can you add?
