Virtual Visits: National WWI Museum and Memorial

On Nov. 11, 1926, President Calvin Coolidge dedicated the Liberty Memorial in Kansas City, Mo., a 217-foot tower honoring World War I veterans. In the year after World War I ended, more than $2.5 million was raised in 10 days to create the monument — more than $40 million by today's standards. Today, the National WWI Museum and Memorial still offers the most comprehensive collection of World War I artifacts and educational exhibits in the world.

Be sure to thank a veteran.

Attitude of Gratitude

Wishing on a Bone

Wishbones have been lucky symbols for nearly 3,000 years. The Etruscans, an ancient Italian civilization, believed chickens could see the future, and they would touch dried wishbones (left whole) while making a wish. In today's common tradition, the wishbone of the meal's bird is broken in half by two people, and the largest half is the luckiest.
